

## AR. ARPAN JOHARI

“Its high time sustainable design is looked at as an essential and pressing need of the hour, than just a service to the environment. It is not rocket science after- all, logical application of simple design strategies can help buildings have minimal carbon footprint. Save planet one step at a time.”

### DESIGNATION

Associate Partner: M/s ESSTEAM

Principal Architect: AW DESIGN

### QUALIFICATION

B. Arch.: SCET, Surat (2003)
